SCHOLARSHIP APPLICATION

The Luzerne Conservation District Board of Directors has established a program to provide scholarship opportunities for high school students interested in attending natural resource-related camps, workshops, and similar summer programs. The purpose of this scholarship program is to foster an appreciation for and understanding of natural resources and to help students develop a conservation ethic. Students must be residents of Luzerne County and agree to provide a written report to the District within 30 days of completing their program/camp.

Student’s Information

Name: __________________________________________

Address: _________________________________________

Parent/Guardian’s Information

Name: __________________________________________

Phone Number: __________________________________

Email Address: __________________________________

Program/Camp Information

Program Title: ___________________________________

Host Organization: ________________________________
