

## Memo

To: District Board Members

From: Josh Longmore, Executive Director  
Luzerne Conservation District

Date: February 8, 2019

Re: February Board Meeting Cancellation

---

After consultation with Tim, we've decided to cancel the February board meeting. There really aren't any pressing agenda items this month.

The next meeting will be March 14, 2019.

We'll send out this month's reports with the March meeting board packets.
