

Memo

To: District Board Members

From: Josh Longmore, Executive Director
Luzerne Conservation District

Date: February 14, 2020

Re: February Board Meeting Cancellation

After consultation with Tim, we've decided to cancel the February board meeting. There aren't any pressing agenda items this month.

The next meeting will be March 19, 2020.

We'll send out the January meeting minutes with the March meeting board packets.
