

## Memo

To: District Board Members

From: Josh Longmore, Executive Director  
Luzerne Conservation District

Date: February 10, 2021

Re: February Board Meeting Cancellation

---

After consultation with Tim, we've decided to cancel the February board meeting. There aren't any pressing agenda items this month.

The next meeting will be March 18, 2021.

We'll send out the January meeting minutes with the March meeting board packets.
